

COMINGLED RECYCLING IN PEPPER PIKE

IN-HOME RECYCLING

Recycle these items in your home:

Pepper Pike offers a comingled recycling program. All in-home recycling should be placed mixed and loose in a special blue recycling bag. No need to sort. Items should be clean, empty and dry.

As for plastics, the shape of the container determines if it belongs in curbside recycling. Only recycle items shaped like bottles and jugs. If it has a neck (with an opening or a neck that's more narrow than the body), it can be placed in recycling.
