Permit Fees: COMMERCIAL JOBS must add 3% State Fee to total fee
RESIDENTIAL JOBS must add 1% State Fee to total fee *

Section #1444.06 (a) Effective Period of Permits: If, after a permit has been issued, the operation called for by it is not commenced within six months of the date thereof, such permit shall be void, and before such operation can commence, a new permit shall be taken out by the owner or by his or her agent or architect and fees as hereafter fixed for the original permit in Section 1446.01 shall be paid therefor.

Section #1446.11 – Commencement of Construction Prior to Permit Issuance Fee: The fee for any permit shall be twice the amount provided herein if the permit is applied for after the construction and/or other work for which a permit is required has commenced. Payment of such fee does not relieve contractor from other penalties provide in the Building and Housing Code.

Contractor signs are not permitted to be displayed within the City of Pepper Pike.

It is the responsibility of the permit holder to schedule all required inspections. Permit holder or owner/agent must be present at inspection site during inspection.

It is imperative to keep streets clean at all times. If mud and other debris is tracked on streets, the Pepper Pike Service Department will be called to clean up and cost will be assessed to permit holder.

The acceptance of the permit herein applied for shall constitute an agreement on the part of the applicant to abide by all the conditions herein contained and to comply with all the ordinances of the City of Pepper Pike, and the laws of Ohio relating to the work to be done hereunder; and said agreement is a condition of said permit. It is a further condition of this permit that the Building Inspector of the City of Pepper Pike must be notified 48 hours before the completion of work requiring inspection by the Building Code of the City.
