
Your Sewer District. Keeping our Great Lake great.

He's cute.

His poop isn't.

Dog doo isn't fertilizer.
Picking up pet waste
protects our
health and
environment.

SPREAD KNOWLEDGE

NOT BACTERIA

Request the PUP Stuff that will help you educate your neighbors and friends while protecting water quality!

Bandana

Window cling

Bumper sticker

Magnet

Yard sign

We offer these educational materials to promote common courtesy and protect water quality. Through outreach, we change behavior and raise awareness of the impact our actions have on the environment. Share your photos with us @neorsd! Will you take the PUP Pledge?
