- CERTIFICATION:** This is a legal document representing compliance to the Ohio Revised Code and a commitment to maintain any microfilm master negatives according to American National Standards Institute (ANSI) Standards when the source document is listed for disposal on this RC-3. Therefore, the certification requires the signature of the official responsible for the records.

NOTICE CONCERNING MEDIA AND FORMAT CHANGES

The Local Government Records Program (LGRP) strongly discourages the use of electronic formats for long-term retention of records unless the records are also maintained in an eye-readable format such as paper or microfilm. It is a responsibility of the local government to ensure the preservation and accessibility of any records retained in electronic format. For guidelines on electronic records issues, visit <http://www.ohiohistory.org/ohiojunction/erc/>. Never use a microfilm master negative except to create a use copy from it.
